EXCLUSION OF HEIR

Exclusion from Benefits. In the preparation of this Trust, we have purposely not provided for our child, SON DOE. We direct that neither SON DOE nor SON DOE's issue shall benefit in any way from this Trust, our estates, or because of either of our deaths, and that the claim of any such person(s) be denied and resisted by the TRUSTEE. SON DOE and SON DOE's issue are disinherited pursuant to MCL § 700.2404, which precludes any claim by SON DOE and/or SON DOE's issue to exempt personal property, or any statutory allowances or exemptions which may be precluded by disinheritance.
