Have you considered an Umbrella Policy? Let us show you how we can add \$1 million liability coverage and most of it will be paid for by leveraging your policies.

Why reach out to us?

1. We are PATRIOT owned and do not do business as usual. There is more to us than insurance.
2. We can often times save you premium AND improve your coverage by taking time and leveraging you policies.
3. We are driven by our morals and values and take a consultative approach, respecting your needs and decision making, even if we don't write policies for you.
4. Most new clients have not updated their policies to reflect changes in Michigan law and have been left hanging by their current agent.
